## **COURSE DESCRIPTION AND OBJECTIVES**

The aim of this course is to practice speaking skills. The goal of this course is to build confidence when speaking in front of others, and forming logical arguments. We will focus on building logical arguments, confidence, memorization techniques, cadence, and pronunciation.

---

## **COURSE STRUCTURE:**

The course will take place over one 50-minute session. We will write short arguments and counter arguments, fix them together, and present them to the class. We will discuss a variety of topics.

---

## **MATERIALS**

There is no set textbook for this class. Necessary handouts will be provided. However, students will be required to always have paper and a pen on hand.

---

## **ATTENDANCE POLICY**

Please inform me if you are absent for any reason. Students must attend 85% of classes (9 days out of 10) to receive a passing grade.

---

## **EVALUATION**

There is no evaluation for this course. The goal of this course is to become more comfortable speaking and giving arguments in front of others. We aim to help students feel more native in their speaking, and feel confident if they have to create arguments in a logical fashion.
